

THE PUBLIC SERVICE DENTAL CARE PLAN (PSDCP): INFORMATION FOR SEAGOING PERSONNEL

The PSDCP covers specific dental services and supplies that are not covered under a provincial or territorial health or dental plan. Eligible employees are automatically enrolled in the PSDCP and do not need to complete an enrollment form.

You can consult the [Benefits Chart](#) to review your eligibility requirements, restrictions and coverage timelines for your contract type.

Once you become an eligible employee, membership and coverage under the PSDCP starts after exactly 3 months of continuous employment.

Coverage is extended to the employee's eligible dependants on the same date the employee becomes eligible. From then on, any new dependants' dental coverage will start on the date they become eligible dependants.

You are responsible for notifying Canada Life as soon as possible if there are changes in your personal circumstances that could affect your coverage.
